The stunning modern architecture was designed especially for the allotment to capture the picture book views over the lakes with their beautiful waterfalls, resident swans, ducks and turtles.

The home boasts two levels of luxury, privacy and comfort. The design provides flexibility, for your family or for a combination of family and extended family.

Downstairs, beautiful imported tiled living areas flowing to a fantastic tiled patio with quality built in stainless steel BBQ, dishwasher and range hood overlooking the stunning, private in-ground salt water pool.

There are 3 spacious, air-conditioned bedrooms on this level, all have quality built in robes and these bedrooms are serviced by a good size built in study and both a dream family bathroom with floor to ceiling tiles and a quality powder room.

But wait the best is yet to come!

Stroll up the gorgeous timber staircase to the enchanting open plan upstairs living, dining and
